## **Special Bar Requests**

Beaver Meadows and your event coordinator would be happy to discuss and try to accommodate any special requests you may have regarding bar services.

## **Bar Services**

All alcoholic beverages consumed at a Beaver Meadows catering facility or on the licensed lawns must be purchased from BMRR due to the terms of our liquor license. Guests are welcome to consume their own alcohol in the privacy of their lodging unit. Also due to our liquor license, guests are not allowed to take any opened or unopened bottles of liquor from the resort property.

The legal age to consume liquor is 21. Beaver Meadows Resort Ranch bartenders are required to request a picture ID and reserve the right to refuse service to anyone.

Please help us to make your event a memorable one. We ask that you and your guests drink responsibly. Please make advanced arrangements for designated drivers.

### **Open Bar and Cash Bar . . .**

We pride ourselves on being very flexible in arranging open bar/cash bar combinations that are able to suit every budget. Please discuss your needs with your event coordinator, and he/she will customize the arrangement for you.

**\$85.00 set-up fee will apply to all strictly cash bar events.**
